

Srividya Subramanyam

Srividya Subramanyam is a financial consultant with Veriti Consulting LLC, which provides litigation support, fraud and forensic accounting and business valuation services. Previously, Ms. Subramanyam was a member of the valuation and forensic services group with Henry & Horne, LLP, an Arizona-based accounting firm.

Ms. Subramanyam has experience managing business valuation projects of closely-held businesses spanning a variety of industries. In addition she has been involved in numerous litigation support projects including marital dissolution, spousal and child maintenance, fraud investigations, lost profits, and other calculation of damages.. She has also executed complex projects involving financial modeling and valuation of derivative instruments.

Prior to moving to the United States, Ms. Subramanyam worked as a researcher in the economic affairs and research division of one of the largest chamber of commerce and business networking organizations in New Delhi, India. In that position, she was primarily engaged in economic and industry research through surveys, interviews, and meetings with business owners, executive board members, and top management personnel of various companies, industry representatives, and politicians. She developed quantitative and qualitative models to be used for various business environment issues, and analyzing the potential impact on the Indian economy and specific industries. She was also involved in the preparation of speeches, presentations, press releases and organized meetings and conferences.

EDUCATION Ms. Subramanyam has passed all three levels of the Chartered Financial Analyst (CFA) exams administered by the CFA Institute and is working towards the CFA Charter and the CFA designation.

Ms. Subramanyam received her Master of Business Economics (MBE) degree and Bachelor of Commerce (Honors) degree from University of Delhi, New Delhi, India. She has completed advanced courses in finance and entrepreneurship from the University of California – Berkeley and Chandler-Gilbert Community College.
